

Meshari A Alzahrani CV

Meshari Ahmed Alzahrani

Assistant Professor, Urology Department

College of Medicine, Majmaah University

Phone Number: +966569990693

Academic Email: ma.alzahrani@mu.edu.sa

Work Email: mesharialqoopisi@gmail.com, ma.zahrani2022@gmail.com

ORCID: <https://orcid.org/0000-0002-8504-7486>

Google scholar & ResearchGate: Meshari A Alzahrani

Web of Science ResearcherID: AAW-3948-2020

Scopus Author Identifier: 57220084842

Personal:

- Birth date: 24/12/1989
- Place of birth: Al-Baha City, Kingdom of Saudi Arabia
- Address: Riyadh City, Al Qirawan district

Educational Attainments:

Majmaah University – College of Medicine – Urology Department

- Assistant Professor of Urology (06/4/2022 – until present)

Andrology and Male Infertility Double Fellowship

- Successfully passed Saudi Commission for Health Specialties (SCFHS) fellowship in Andrology & Male Infertility final written exam (5/1/2022) & final clinical exam (14/3/2022)
 - o Certification date: 24/3/2022
- Successfully passed King Saud University fellowship in Andrology & Male Infertility
 - o Certification date: 14/12/2021

Saudi Board in Urology

- Successfully passed Saudi Board in Urology final written and practical clinical examination – SCFHS
 - o Certification date: 30/11/2019

MBBS degree

- Degree of Bachelor of Medicine & Surgery (MBBS) - Taif University, Saudi Arabia.
- Graduation date 29/5/2014

High School:

- Graduated from Al-Atawilah School, Al-Baha, 2007, The First in Class

Current Job:

- Assistant Professor of Urology
 - o Surgical Specialties Department, College of Medicine, Majmaah University – (April 2022 – until present)
- Chairman: Basic Medical Sciences Department, College of Medicine, Majmaah University – (5, December 2023 – until present)
- Faculty Board Member, College of Medicine, Majmaah University – (13, December 2023 – until present)

Meshari A Alzahrani CV

- Head of Faculty Affairs Unit, Vice Deanship for Postgraduate Studies and Scientific Research, College of Medicine, Majmaah University – (1, October 2023 – until present)
- Majmaah Journal of Health Sciences (MJHS) – Editorial Board Committee – Member and Managing editor – (September 2022 – until present)
- Member: Scientific Research Committee – Vice Deanship for Postgraduate Studies and Scientific Research, College of Medicine, Majmaah University – (October 2022 – until present)
- Supervisor: Medical Students Research Club – College of Medicine (Medical Students Club), Majmaah University – (January 2023 – until present)
- Supervisor: Medical Students Urology Club – College of Medicine (Medical Students Club), Majmaah University – (January 2023 – until present)
- Internship Year Committee – Member – College of Medicine, Majmaah University – (June 2023 – until present)
- Consultant Urology, Andrology & Male Infertility
 - SCFHS Professional Classification and Registration Record: Consultant-Urology/Andrology and Male Infertility (03/07/2022– until present)
- Saudi Pelvic Floor Society (SPFC) – Board Member – Majmaah University – August 2023 until present
- Saudi Society of Men's Health (SSMH) – Scientific Committee Member – King Saud University – (October 2022 – until present)

Society membership:

- Saudi Urological Association (SUA) –Member (2022 until present)
- Saudi Pelvic Floor Society (SPFC) – Board Member – (August 2023 until present)
- Saudi Society of Men's Health (SSMH) – Scientific Committee Member (2020 until present)
- International Society for Sexual Medicine (ISSM) – Member (2022 until present)
- Injab Society [Organization for Assisting the Late Childbearing] – Volunteer Member (2023 until the present)

Teaching modules at the College of Medicine, Majmaah University:

- SURG 410 (General Surgery and Anesthesia 1)
- SURG 511 (General Surgery and Anesthesia 2)
- ACUTE 310 (Emergency Medicine and Intensive Care 1)
- ACUTE 511 (Emergency Medicine and Intensive Care 2)
- FMED-310 (Family Medicine 1)
- FMED-511 (Family Medicine 2)
- MED 122 (Blood, Body Fluids and Electrolytes Module)
- Endocrine and Reproductive

Experience:

- College of Medicine coordinator for the Majmaah University Student Projects Forum 1445 AH
- Majmaah University coordinator for the 8th Health Professions Conference (HPC) held by King Saud bin Abdulaziz University for Health Science, Riyadh, Saudi Arabia (3-6 March 2024).
- Chairman: the first Medical Students Research Day – College of Medicine (Medical Students Club), Majmaah University (10/6/2023)
- SANAR, an electronic medical platform (August 2022 – April 2023)
- SANAD, a virtual clinic specializing in men's health in the Kingdom of Saudi Arabia (February to April 2023)
- Scientific publication committee for faculty promotion (28 Feb 2023), College of Medicine, Majmaah University.
- General surgery module coordinator (SURG-II), College of Medicine, Majmaah University (28/9/2022 – 19/9/2022)
- General surgery module coordinator (SURG-II), College of Medicine, Majmaah University (8/2/2022 – 7/3/2022)
- Consultant Urology, Andrology & Male Infertility (contract collaboration) -

Meshari A Alzahrani CV

- SCFHS Professional Classification and Registration Record: Senior Registrar-Urology (6/1/2020–05/06/2022)
- Andrology and Male Infertility Fellow, King Saud University, King Saud University Medical City (KSUMC), Riyadh (1/1/2020 – 31/12/2021)
- Andrology and Male Infertility Fellow – SCFHS, Riyadh (1/1/2020 – 31/12/2021)
- Urology Resident, King Abdelaziz Medical City, Ministry of National Guard, Jeddah, Saudi Arabia (1/10/2014 – 31/10/2019)
- Urology Teaching Assistant, Urology Department, College of Medicine, Majmaah University (27/8/2014 to 6/4/2022)
- Saudi Urology Residency Training Program – SCFHS, Saudi Arabia (1/10/2014 – 31/10/2019)
- Head of Scientific Committee of Urology Residency Training Program at the Western Region, 2018-2019
- Internship year (1/8/2013 – 31/7/2014)

Research activity and production

Journal Editorial Board Committee

- Majmaah Journal of Health Sciences (MJHS)- Editorial Board Committee (Member and Managing editor) (5/9/2022 – until present)

Published Research (Journal):

Accepted articles.

Evaluation of the Efficacy of Stem Cell Therapy in Erectile Dysfunction after Radical Prostatectomy: A Comprehensive Systematic Review

- Co-Author
- Journal of Men's Health (Q4)
