- 14. Instructional Method (1) Problem-Based Learning (PBL). This training course was organized by Ribat Medical Education Centre, Faculty of Medicine, the National Ribat University, Khartoum 3-10 August 2006.**

- 15. Training course on Statistical Analysis and epidemiology. In this course I learned how to apply statistical analysis in research. National Ribat University- Khartoum 4-13 Dec. 2006**
- 16. Turkish European Conference. This conference discussed advances in treatment and control of many diseases. In this conference I chaired one of the sessions. Istanbul 22-25 Nov. 2006**
- 17. Training workshop on Electronic Nominal Registry System ENRS of Tuberculosis. This course was arranged by EMRO. The course was attended by the TB managers in the region and discussed the possibility of applying electronic registry for TB. Cairo Feb. 2007**
- 18. The annual meeting of TB Control managers in EMR. The meeting discussed the control of TB in the region. I presented the findings of the tuberculin survey conducted by the EPI LAB in the Sudan. Tunisia, April 2007**
- 19. International course in management for TB Managers. I learned the advances in the field of management. The course focused on managerial experiences of the participants from Africa and Asia. Manila, the Philippines 16-28 July 2007.**
- 20. Maternal Mortality Course Module. This online course was delivered by the People Open Access Education Initiative (People-uni.org.). Oct.-Dec.2007.**
- 21. International Conference on TB and lung diseases, organized by the International Union against TB and Lung Diseases, the UNION. The theme of the conference was Multi drug Resistant and Extensive Drug Resistant TB (MDR, XDR-TB). I participated in the poster presentation. South Africa 10-14 Nov 2007.**
- 22. Training course on MDR-TB. The course focused on Multi drug Resistant Tuberculosis and how can the programs in the region apply for fund through the Green Line Committee. Cairo 25-30 Nov 2007.**
- 23. International course on Human Resource Development HRD. The course was attended by Asian and African countries. I learned the importance of HRD and their effect on combating TB. I shared experience with the participants from other countries and formulated a draft of HRD for the National TB program in the Sudan, Bangkok, Thailand 15-28 Nov. 2008.**
- 24. Biostatistics. This on-line course was delivered by the Peoples Open Access**

**Education Initiative (Peoples-uni.org.). Oct.- 2008- Mar 2009**

- 25. Research Methods for Guiding Policy and Evaluation with Special application to Population and Health. American University in Cairo, Social Research Centre. This course cover both quantitative and Qualitative research including software analysis. Attended by participant from different Arab countries. May 3 – July 23, 2009**
- 26. Evidence based practice. This on-line course was delivered by the Peoples Open Access Education Initiative (Peoples-uni.org.). Apr - Sep. 2009.**
- 27. Training course on qualitative research. This course was arranged by the General Directorate of Health Research Policy, Planning and Research in Collaboration with WHO. The focus of this course was the application of Qualitative research. I learnt how to design and conduct qualitative Research. 26 Oct. – 2 Nov. 2009.**
- 28. Evidence Informed Health Policy (EIHP) Forum. Addis Ababa. This international forum brought countries to share experiences about this issue. 26-30 August 2012.**
- 29. International congress of medical tourism. This congress was held in Turkey and attended by many counties to share experiences about medical tourism. 18-21 Nov 2012.**
- 30. Authorship, translation and scientific publication in Majmaah University. Majmaah University, Kingdom of Saudi Arabia, 5/11/2013, 2.1.1435**
- 31. Second Gulf Conference on Complementary and Alternative Medicine CAM. Riyadh, KSA, 24-26.11.2013**
- 32. Training workshop on Methods of smoking cessation. King Khaled hospital, Majmaah, Kingdom of Saudi Arabia. Collaboration between King Abdul-Aziz National Guard hospital, Jeddah and Faculty of Medicine, Majmaah University. 7.4.2014 (Organizer)**
- 33. Workshop on Outcomes of teaching and learning. Majmaah University, Kingdom of Saudi Arabia. 29-33 April 2014**
- 34. NIH Web-based training course "Protecting Human Research Participants". May 2018**

**Supervision of Postgraduate Students: -**

- 1. First supervisor of the theses passed in partial fulfillment of Master Degree in Nursing: Assessment of Knowledge Attitudes and Practice of pregnant women about Pregnancy Induced Hypertension in Mayo Area in Khartoum State by Nafisa Ibrahim, 2003.**
- 2. First supervisor of the theses passed in partial fulfillment of Master Degree in Nursing: Knowledge Attitudes and Practice about oral health care among the population of Mayo area, Khartoum state, by Hala Shams Eddin Mohamed, 2006.**
- 3. First supervisor of the theses passed in partial fulfillment of Master Degree in Nursing: Breast self-examination among female teachers in Sharg Alneel locality, Khartoum state, by Sara Elsadig Ibrahim, 2009.**
- 4. Co-supervisor of MD dissertation passed in Jan 2009: Evaluation of pulmonary tuberculosis contact tracing procedures in Khartoum state, by Dr. Farah Arabi Abdel Gadir.**
- 5. First supervisor of the theses passed in partial fulfillment of MD Degree in Community Medicine: Assessment related to health system barriers to directly observed treatment short course (DOTS) strategy, Kassala state, Sudan, by Anas Elias Ahmed, 2011**
- 6. First supervisor of the theses passed in partial fulfillment of MD Degree in Community Medicine: Determinants of Treatment Outcome for Pulmonary Tuberculosis, Khartoum State 2009 – 2011, by Gaafar Hassan Ahmed, 2011**
- 7. First supervisor of the theses passed in partial fulfillment of MD in Community medicine: Evaluation of tuberculosis control program, Gadarif State 2009, by: Haider Ibrahim Taha Hammed**
- 8. First supervisor of the theses passed in partial fulfillment of MD in Community medicine: Smear Positive Tuberculosis among Police Reserve Forces In Gadaref, State, Sudan, 2011-2012 BY Dalia Mowaoia Hamad**
- 9. First supervisor of the theses passed in partial fulfillment of MD in Community medicine: Prevalence and types of anemia in children 6 - 59 Months of age in Gadaref State, Sudan, 2012-2013; By Dr. Mahmoud Mohammed Ahmed Ali**
- 10. First supervisor of the theses passed in partial fulfillment of MD in Community medicine: The Effect of TB guidelines training On Knowledge Of Health Care Providers' and Case Detection at the Health Centers In**

**Gezira State, 2013 by Shaza Ali Ahmed Musa.**

- 11. First supervisor of the theses passed in partial fulfillment of master's degree in Community medicine: RISK FACTORS OF DEFAULT TO TREATMENT IN TUBERCULOSIS PATIENTS ATTENDING AL-MUGLAD HOSPITAL, SOUTH KORDOFAN STATE, SUDAN, 2008- 2012 by Elnazeer Abd Almonem Hashim (MBBS**

**Contribution to relevant institutions and to the profession: -**

- 1 Expert in Tuberculosis control and application of DOTS Strategy with special emphasis on supervision and TB research.**
- 2 Teaching research methods as a par-timer teacher to health personnel at the Federal Ministry of Health 1998-2003.**
